

Changes to your cleaning schedule over bank holidays

During bank holidays, the cleaning of your communal areas may not be completed on the scheduled day by the usual cleaning operative.

We'll do a limited clean within the same week that the cleaning operative is usually due.

What does a limited clean include?

We'll clean:

All floors, glass panels, bin stores

We'll complete:

Dusting, lightbulb changes if needed

Dates for your 2025/26 diary

These changes to your cleaning schedule will apply to the following dates:

Your cleaning schedule may also change throughout the year if your usual cleaning operative is sick and can't attend. In this case, another operative will attend within the week to clean all communal areas.

If you have any questions about the cleanliness of your communal areas, please contact your Neighbourhood Services Manager.
